

## Steve Larson talks about Space

Our speaker this month is Steve Larson, a project engineer with Lockheed Space Systems who grew up in Chicago; a veteran of Lane Tech and the U.S. Navy. He is traveling from the eastern Pennsylvania area for the day and will present a slide discussion about his experiences in satellite systems and space. He is the son of our late board member, treasurer and secretary Orville Larson and is the brother-in-law of the wife of our current secretary Ken Larson. Ken will serve as Torske-master for the day.

The Boss and assistant Boss will be playing hooky this day while attending the black tie formal 30th anniversary dinner of the Madison Torske Klubben. In their absence, Dr. Ray Newgard will step in as “boss” for the day. Ken Nordan will serve as secretary for the day, and Gene Kazmarek will be the only one actually doing the job he was assigned to this day. Thanks guys!

## The Passing of Rev. Robert Furreboe

The members of the Chicago Torske Klub and also the Madison Torske Klubben were shocked to hear of the short but fatal illness and passing of our good member and friend Bob Furreboe, who died on Easter Sunday of pancreatic cancer.

Internment will be at a later date at Greenwood Cemetery, Brooklyn, New York, where he was raised. In lieu of flowers, memorials may be made to Our Saviour's Lutheran Church Mission Endowment Committee, Pastor Bob & Edna Furreboe Fund for Mission Support. Bob was a good member and a good friend to us all. When our boss Rob Alsaker talked about our good memories of Bob, Rob remembered how he was always available and willing to lead us in prayer and fellowship. He was our featured speaker a couple years ago and showed us his trip to Machu Pichu in Peru and the Galapagos Islands. We did not see him at many of our meetings for good reason; his attendance in Madison Torske Klubben required his 100% presence as a condition of membership, so conflicts always sided with Madison. He was with us whenever he could be.

Some of us remember Bob as the 2nd half of the team we referred to as "Bob and Edna". They are the epitome of world travelers. Many of us got to know them both as traveling companions to Norway with the frequent NACC tours and events, beside the Torske Klub. Coincident to the announcement of his death, we received a photo from Ken and Julie Nordan which summarizes our collective memory of this great team; great friends. We will miss him. Our thoughts and prayers are with his family.
