

## Franklin Delano Roosevelt visits Torske Klub

We are pleased to have an outstanding and historically significant speaker at the Torske Klub for November: the 32nd President of the United States, Franklin Delano Roosevelt. If you don't believe us, check out his web site at <http://rjlindsey.com>. Mr. Lindsey has presented his impersonation of FDR throughout America, including the Democratic National Convention, to great acclaim. Due to this outstanding program and after a long discussion at the moderately attended October meeting, the Torske Klub Board of directors (or at least the consensus of those polled at the meeting) decided to extend an invitation to the *wives and girlfriends* of our members as guests for November. This does not replace ladies day, but augments the audience for this November day only.

## Dues Reminder

In the last mailing, we sent a membership form and return envelope, prefilled with your contact information, along with the request for dues.

Thanks to all of those who have paid their dues thus far, it makes our volunteer jobs easier and keeps our organization solvent.

The deadline for submitted dues seems far off, December 31. But like Christmas, it tends to come rather quickly.

You can send your dues either by mail or simply hand them to us at the Torske Klub luncheon.

## Wedding Bells for David Bentsen

It's not often that the Chicago Torske Klub celebrates the marriage of one of its members.

Our Texas Torske Klub member, David Bentsen (brother of Raffle Chairman, Ron Bentsen) will be married on Saturday, November 15th to Janet Godsey. The ceremony will take place at Trinity Lutheran Church in Sherman, Texas. So here's a hearty "Gratulerer og Lykke Til" to Dave and Jan as they begin their new life together. – *R. Bentsen*

## Passing of Richard L. Nelson Sr.

We were saddened to hear of the passing of our good member, Richard Nelson, Sr.

He joined the Torske Klub in January 2005 with his son, Richard Nelson, Jr. The two have been frequent attendees of our luncheons since that month.

## Veterans Day - November 11

As the USA is now engaged in a war, we are reminded again about this day that we set aside to honor those who have ensured our freedoms. Recall that we honored our member Kaare Nevdal in our April 2008 letter by reprinting the article about his service in the 330th Squadron of Coastal Command in the Royal Norwegian Air Force. That story prompted another longtime Torske Klub member, Finn Braathen to share his similar story with us. 60 years after they trained at "Little Norway" in Toronto Canada, Kaare and Finn met at the Chicago Torske Klub.

We have many more stories of our heroes in the service of their country. Some of them stood up to be photographed with Tuskegee Airman Lt. Col. David James in our January 2007 meeting.
