

## February 14<sup>th</sup> is Ladies Day

Bob Marley Poster—Public domain illustration, PICRYL.

Valentine's Day is just around the corner, and February is the month when we acknowledge the ladies in our lives. So bring that important person—young or young at heart—to learn something interesting about Jamaica and its culture.

Jamaica has made an outsized impact on the world, especially through its music, film, and sporting excellence. The island is the birthplace of reggae, ska, and dancehall—genres that reshaped global music and inspired movements for peace, resistance, and cultural pride, led by icons like Bob Marley, Peter Tosh, and Jimmy Cliff. In sports, Jamaica has become synonymous with sprinting dominance, producing legends such as Usain Bolt and Shelly-Ann Fraser-Pryce, whose world-record performances have elevated global track and field. Jamaican influence also extends to cinema, with films such as *The Harder They Come*, *Rockers*, *Dancehall Queen*, and the Disney film *Cool Runnings* bringing the island's rhythms, struggles, and spirit to international audiences.

We will have as our special guest and speaker Judy Malcolm, Executive Director of the [Jamaican Heritage and Reggae Museum](#), who will discuss Bob Marley and the Jamaican museum. She has special insight into reggae music and its influence on the music world, especially since she is the cousin of the late Bob Marley.

Due to the number of people expected for Ladies Day we will once again ask you to form a table of 8 or 10 if you wish to sit together. Send a representative to reserve your table before NOON. The first to announce a table of 8 or 10 at check-in gets first pick of the tables. No single table reservations will be allowed before then.

### Meet our new Treasurer Bruce Carlson

Bruce Carlson stepped forward last month to fill the post left vacant by our past Recording Secretary and Treasurer, Tom Peterson. Bruce's first step as treasurer is to encourage everyone who can to use Zelle for paying for dues and meals.

This month we recognize the birthdays of the following members who have contributed their dues money toward the purchase of the Line Aquavit we enjoy so much at our monthly gatherings.

Fred Durler,  
Thor Johdahl,  
Dr. Ray Newgard,  
(our oldest member),

(our second oldest member),  
and Phil Waters

### A Note from the Boss

Gentlemen

Apparently the Linie Aquavit shortage has taken an international turn. The Hon. Consul General Susan Meyer announced to NorCham that the shortage reached the Madison Torske Klub and they asked her to inquire. Apparently Linie is in the process of repackaging their product from 750 ml to 700 ml bottles and it interrupted the supply chain. Binnys should be stocked soon.
