Our speaker for this lunch is Mr. Barry Cooper who serves as the manager of the FAA's Chicago Area Modernization Program Office located at the FAA's Great Lakes Regional Office in Des Plaines. The function of his office is to coordinate the FAA's activities and responsibilities in regard to major Chicago-area airport development initiatives, and to assure that the FAA meets its commitments in regard to those initiatives. The most visible of these initiatives right now, of course, is the O'Hare Modernization Program (OMP) being undertaken by the City of Chicago. His office is also involved with the proposal by the State of Illinois to establish a new airport in Peotone, IL serving Chicago's south suburbs. Join us this interesting day for our first Torske Klub meeting of the spring. Make your reservations early. PLEASE distinguish your April 8 dinner reservation from the Madison reservation below.

## April 22: Madison Torske Klub Road Trip Reserve Now!

The Chicago Torske Klub has been invited to dine with the Madison Torske Klub on April 22, on what has become a yearly event. If you have not participated in this before, you are in for an excellent day. Our hosts in Madison are fortunate to have their dinner hosted in the prestigious Madison Club, a couple blocks from the state Capitol building. The Chicago Torske Klub picks up the cost of the bus, which is a touring bus with a lavatory. We also provide coffee and rolls for the ride up and as a tailgate item to encourage early arrival. Note that we must leave 8:45 sharp and can wait for nobody to keep our agenda. Arrive early and have coffee. We will make a stop at the Clock Tower Inn in Rockford to pick up those who wish to depart from there. Please tell us in your reservation if you will be doing so. Members and Guests are allowed on a first come-first serve basis for the bus ride.
